He was paster of many churches in Caldwell and Watauga counties N. C. and Johnson county, Tenn He also frequently preached in destitute places.

Our brother seemed to preach with the unction of the spirit, his labors were greatly blessed, and we believe that many souls were Ind to the Savior through the instrumentality of his preach ing, and that in him will be verified this Scripture: "He that goeth forth and weepeth, bearing precious seed, shall doubtless come again Populist National commitwith rejoicing, bringing his tes to have but one Bryan sheaves with him."

He preached at Bethel ers during the greater part of tion to the democratic and his ministerial life, and was for quite a number of years State tickets at the coming her only pastor.
